

Return to the Ancient Christian Church . . .

. . . Alive, and Still Calling!

Welcome Home Event, Sunday, May 18

2940 County Road 214, St Augustine FL 32084

Approaching Holy Trinity Greek Orthodox Church in St Augustine, visitors will notice the traditional Byzantine dome in its architecture.

Inside, the dome and walls are filled with holy iconography in the style that has been used since the first century.

This small parish has an outsize impact on the St Augustine community. Its ministries include philanthropic outreach efforts – particularly local charities, shelters and children in need.

The May 18 “Welcome Home” event offers food and fun, with an opportunity for Orthodox Christians looking for a parish home to visit, and for others who are interested to learn more about this ancient faith.

Appetizers will be served after liturgy. Greek pastries and imported Greek groceries and gifts will be available for purchase. A silent auction will feature high end items like fine jewelry, art pieces and other specialty items.

Holy Trinity Greek Orthodox Church looks forward to sharing faith, food and fellowship with all in our community!
